

Working together to keep you safe and happy.

What is Safeguarding?

At Little Ealing, we think you deserve to feel safe, happy, secure, loved and special. All the adults around you think that your health, safety and wellbeing are very important. Safeguarding is what we do for you all to keep you safe whilst you are at school.

How will we try and protect you?

We try to provide a safe environment for you to learn in. We want to ensure you remain safe at home as well as in school. We think it is important for you to know where to get help if you are worried or unhappy about something. If you need to talk, we will listen.

Remember: tell a trusted adult if someone is:

Bullying you

Saying things to you that upset you or make you feel uncomfortable

Touching you

Hitting or hurting you

Taking your things

Sending unkind messages on the internet or to your phone

What is Child Protection?

We do our best to help you make good progress in your learning and to be happy. We teach you how to recognise risks in different situations and how to protect yourselves and stay safe.

Who can you talk to?

If you are worried about something, you can talk to an adult in school. This could be your class teacher or any of the Safeguarding Leads. They are: Mrs Rooney, Miss Orchant, Mr Jackson, Miss Thiessen and Mrs Cooke.

You could also write it down and put it in the 'Worry Box' in your classroom.

You could ask to speak to Miss Ashby, who runs 'Let's Talk'.
