

GAMES TO PLAY AS A FAMILY

It is important to take an active role in your child's online life and playing games online with them is a great way to do this whilst demonstrating to your child good gaming habits. Internet matters have compiled a list of games that have something more to offer than the usual chart favourites and are great for parents and children to play together. The games have been grouped according to the children's ages they are more appropriate for. Internet Matters have compiled this list of games that you could play together based on your child's age.

In-app purchases

Lots of apps/games are free to download and play but then contain in-app purchases.

To prevent purchasing on your child's iPhone or iPad follow these instructions:
