

Online learning opportunities for the half term break

LEPS Computing Portal

Please consider changing the homepage on your computer to the LEPS COMPUTING PORTAL. Or at least set a bookmark for this page in your favourite browser. This will give your child access to your favourite tools and learning resources. The days of Google sending you to the wrong DB Primary login page will be gone!

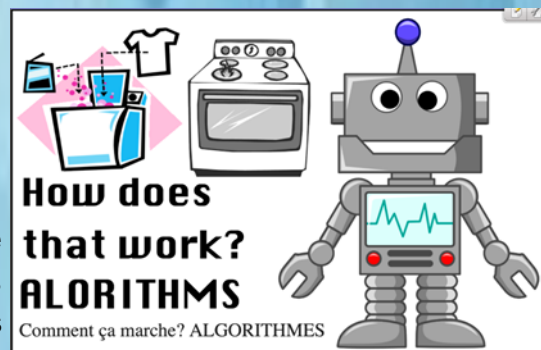

<https://my.uso.im/leps>

Year 1 Mouse Skills

Year 1 have been developing their mouse skills with a range of games all geared towards fine motor skills. You can access these games with some tips and advice on the ICT@LEPS DB Primary page. Click the image to find out more.

Year 2 How does that work?

Year 2s have been learning about algorithms and the difference between the instructions required for humans and computers to complete the same task. Learners can brush up on their knowledge of algorithms and even watch Mr Burke's attempt at being a Sandwich Bot!

Typing Club

1. Curl fingers like bear claws
2. Rest fingers on the home row
3. Never look at the keyboard
4. Always use the correct fingers
5. Repeat lessons until you have:

Key Stage 2 Typing Club

Please encourage your children to practice their keyboarding skills with Typing Club over the break, and challenge them to improve their words per minute. Remind them to stick to the rules to ensure they achieve great results in a shorter amount of time.

Happy Typing!

Tom Burke

Computing Lead
