

YEAR: NURSERY **Theme:** Health and Wellbeing (Autumn)

Purpose: To understand how to lead a safe and healthy life.

Relevant Prior Learning/Experiences:

Information and evidence gathered from home visits at beginning of school year and through ongoing partnerships with parents/carers.

Unit overview	Vocabulary	Knowledge, Skills and Concepts
Our school's PSHE planning is ambitious for all pupils and is coherently planned and sequenced to ensure that pupils build on and gain new knowledge and skills as they progress through primary school. Our curriculum is broad and balanced to ensure that pupils leave primary schools with the knowledge and skills to keep themselves physically healthy, mentally healthy and safe. We also aim to equip our pupils with the knowledge, skills and attitudes they will need to be active, respectful and engaged citizens of modern Britain. Our PSHE curriculum has a wide range of child-centred activities to ensure the learning is enjoyable for pupils. The scheme of work is based on the learning descriptors laid out in the DfE's 'Statutory Relationships, Sex and Health Education guidance'. PSHE is taught as a discrete lesson once a week but also forms an integral part of the values and ethos of our school. The impact of our PSHE curriculum is also seen in the way pupils interact with others, the way in which they keep themselves mentally and physically healthy, the respect pupils have for other people and the way in which pupils can keep themselves and people around them safe.	◦ Myself ◦ Class ◦ Names ◦ Special ◦ Healthy ◦ Clean ◦ Teeth ◦ Hygiene ◦ Food ◦ Friends ◦ Bullying ◦ Kindness ◦ Clean ◦ Similar ◦ Different ◦ Celebrate ◦ Achieve ◦ Goal ◦ Proud	In this unit, pupils are learning: • To identify people in my class and how they are similar or different. • To recognise achievements. • To play with other children. • To identify how to keep clean and healthy.
