How to help your child at home?

Log onto Google Classroom where you will see more information about what your child is learning about.

English:

Log onto Bug Club to read at home.

Visit your Google Classroom page where you will see your weekly guided reading texts.

Maths:

Why not watch the daily white rose hub maths videos to help you with your learning?

Go on Time Tables Rock Stars and practise your timetable facts.

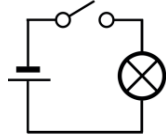

Wellbeing:

Why not create your own gratitude jar?

Science:

Electricity
Looking at circuits. Make and draw circuits. Looking at electrical measurement, parallel and series circuits.

Science:

Look at pictures of your parents and grandparents – what have you inherited?

Computing:

Blog

Write an online blog on an issue you disagree with.

History:

Ancient Greece What did the Greeks do for us? Explore how the Greeks have influenced modern architecture, culture and government.

Geography:

Does your family recycle? Could some of these items be repurposed instead of being recycled? Try making a bird feeder or bug hotel.

Art:

Create a piece of art using a range of tools with paint: feathers, cardboard, sticks, cotton wool, etc

Design and Technology:

When you next visit a playground, look at the variety of equipment there. Who is the target audience?

Physical Education:

Choreograph your own dance using the theme of The World of Sport.

Religious Education:

Visit some churches of a variety of denominations; how many similarities and differences can you spot?

Personal Social Education:

Create a poem on the effect inequalities have in society.

Music:

Research the composers of music from films and TV shows you particularly enjoy. Can you spot any patterns? You could write a biography of your favourite composer.
