Autumn Term | Friday 2nd October 2026

Dear all

October is here and the days are definitely beginning to show the signs of autumn. It feels like only yesterday that we were welcoming everyone back through the gates for the start of a new school year, yet here we are already a month into the autumn term!

It has been lovely to see so many children proudly wearing their Ealing Mini Mile T-shirts and medals around school this week. There has been a real sense of achievement as children have shared their experiences with friends and staff. Congratulations to everyone who took part - we hope you are feeling very proud of yourselves and the legs have recovered by now!

Assemblies - Black History Month

This week, we launched **Black History Month** in class assemblies.

Across October, children will be marking Black History Month through dedicated lessons linked to this year's theme, "**Honouring Our Communities.**" The theme encourages us to recognise and celebrate the people whose everyday contributions help shape, support and strengthen Black communities.

It reminds us that Black history is not only about well-known historical figures but also about the people whose influence and contributions can be seen in our local communities, workplaces and everyday lives.

Throughout the month, children will have opportunities to learn, discuss, reflect and celebrate. Each class will also produce a piece of work from their final activity to contribute to a whole-school Black History Month display. We are looking forward to seeing this build across the month and sharing the children's learning around our school.

Radbourne Class Assembly

Today we enjoyed our first class assembly of the year, led brilliantly by Radbourne Class.

They took us on a time-travelling journey back to Anglo-Saxon Britain, sharing some of the knowledge they have gained through their History learning. The children spoke clearly and confidently and it was wonderful to see how much they have been enjoying their learning.

Thank you to Radbourne Class and their teachers for starting our class assemblies off so brilliantly - you made us all very proud.

Harvest Collection

Our Harvest collection for Ealing Foodbank is growing and it has been wonderful to see the generosity of our school community. Every contribution, however small, will come together to make a real difference to families who need some extra support.

If you would still like to contribute, you have until Thursday 8th October to send donations into school.

Thank you for helping us put our LEPS value of kindness into action.

Coming Up Next Week

Wednesday 7th October - 9.15am - Prospective Parent Tour - We will be welcoming another group of prospective parents and carers whose children are due to start Nursery or Reception in September 2027.

If you, or anyone you know locally, is considering Little Ealing for their child next year, please contact the school office to book a place.

Wednesday 7th October - 8.00pm - PTFA AGM - Our PTFA will be holding their Annual General Meeting on Wednesday evening. Please arrive via the Hereford Road entrance.

The PTFA plays an important role in our school community, raising funds and organising events that benefit all of our children. Everyone is welcome to come along, find out more and get involved.

Friday 9th October - 9.00am - Rathgar Class Assembly - **Next Friday, it will be Rathgar Class's** turn to share some of their learning with us. Parents and carers attending the assembly should come to the Hereford Road gate where we will be ready to welcome you onto the school site at 9.00am.

Another busy week completed and lots more to look forward to as we head further into the autumn term. Thank you, as always, for your continued support.

Have a wonderful weekend.
