Autumn Term | Friday 16th October 2026

Dear all

Another busy week at Little Ealing and what a colourful way to end it! Today, our school has been a sea of red as children and staff joined together to support Wear Red Day for Show Racism the Red Card.

It has been wonderful to see everyone getting involved and helping to raise money for a charity that does such important work in challenging racism through education.

Throughout the week, children have also spent time in their classrooms thinking about the power of their words and the positive choices they can make in how they treat others. We have talked about how kindness and respect are not just things we say are important, but values we demonstrate through our everyday actions.

These conversations link closely to our LEPS A, B, Cs, particularly our Behaviours for Life – Be Honest, Be Kind and Be Respectful – and the choices we make each day. Helping children understand that their words and actions have an impact on others is such an important part of their education.

Class Assemblies – Learning Together

This week, classes have taken part in two important assemblies.

10-Day Walk to School Challenge

Children were introduced to our 10-Day Walk to School Challenge encouraging everyone to think about how they travel to school and the benefits of making active travel choices.

Walking, scooting or cycling to school where possible can be a great way to start the day, supporting physical wellbeing, helping children arrive ready to learn

Show Racism the Red Card

Our second assembly focused on Show Racism the Red Card and helped children explore what racism means, why it is wrong and how we can all play a part in making sure everyone feels valued, respected and included.

We encouraged children to think carefully about the language they use, to challenge unkindness

and to understand that we all have a responsibility to help make LEPS a place where everyone belongs.

Brain Buddies Coffee Morning

Thank you to all the Year 4, 5 and 6 parents and carers who joined us for our Brain Buddies Coffee Morning this week.

We hope you found the session useful in understanding how we are supporting your children's emotional wellbeing and developing their understanding of how their brains work, particularly when managing emotions, relationships and challenges.

It is always valuable when school and home can work together and we hope the information and strategies shared will help you continue these conversations and support your children at home.

Redwood Class Assembly

This morning, Redwood Class entertained us with a brilliant assembly all about friendship, giving us plenty of laughs along the way! With a very modern twist, they took us into the world of 'FriendTok', exploring the perfect friend, friendship algorithms, friendship fails and even our 'friendship batteries'.

The children spoke confidently and creatively, using humour to share some really important messages about what makes a good friend and how we can look after our friendships.

They finished with some wise words about the importance of listening, including others, encouraging one another, forgiving and, above all, being kind.

Their final message was a simple but powerful one: Be the friend you would like to have.

A huge well done to Redwood Class for such an entertaining, thoughtful and informative assembly. Thank you to the staff who supported them and to all the parents and carers who came along to enjoy it.

Coming Up Next Week

Tuesday 20th October – 6.00pm – Prospective Parent Tour – Next Tuesday evening, we will be welcoming prospective parents and carers whose children are due to start **Nursery or Reception in September 2027**. If you, or anyone you know locally, is considering Little Ealing for their child next year, please contact the school office to book a place. We always enjoy showing families around LEPS and giving them an opportunity to find out more about our school community.

Thursday 22nd October – 7.00pm – PTFA Curry and Quiz Night – Our wonderful PTFA will be hosting their Curry and Quiz Night next Thursday evening. It promises to be a fun evening, with a chance to enjoy some delicious food, test your general knowledge and spend time with other members of our school community. Events like these are not only a great opportunity to bring

families together but also help raise valuable funds to support experiences and resources for our children. Thank you, as always, to our PTFA for organising these opportunities and to everyone who supports them.

As we approach the final week before half term, I would like to thank everyone for their continued support throughout what has been a busy and positive start to the school year.

There is still plenty to look forward to next week before we all enjoy a well-earned break.

Have a wonderful weekend.

Best wishes

Emily Caldwell
