A MESSAGE FROM THE HEADTEACHER

Dear all

It has been another busy and positive week in school as we have finished our initial wellbeing weeks and I am delighted to share some of the highlights and upcoming events with you.

Our Weekly Assembly

This week we read a story called *Rusty the Robot*, all about a robot who was struggling with being different. Rusty soon met other robots and realised that everyone sounds different and unique. Together we discussed how our differences are what make our school such a special place. The children shared thoughtful ideas about how we can treat one another with kindness and work together as a strong, supportive team.

School Lunches

We are continuing our efforts to reduce food waste and to support our catering team in providing a smooth service. Please ensure you complete your **pre-orders** so that your child receives the meal they have chosen. Without a pre-order, they may not be offered a choice.

We would also like your support in reminding children not to swap food at lunchtime. This helps to keep everyone safe, especially those with allergies and sensitivities.

School Streets Launch Day – Monday 22nd September

To celebrate the launch of our School Street and to enjoy safer, quieter journeys to school, we will be doing the following activities:

- **Giant Meet Up and Walk** – Families are invited to meet us at **Blondin Park at 8.10am** to walk to school together in convoy.
- Children are encouraged to wear **bright, colourful or sparkly clothes** to mark the occasion.

We look forward to seeing many of you there.

We have attached the school street letter below.

Parent Governor Position

We are looking for a **Parent Governor** to join our Governing Body. A letter from Shirley Kenworthy-Wright, our Chair of Governors, has been sent out today with further details. Please check your emails if you are interested or considering applying.

ClassDojo

Our ClassDojo platform is now fully set up, with classes and children linked. We plan to move gradually from ParentMail to ClassDojo for school communication. Please ensure you are connected to your child's class. If you need support, do speak to your class teacher or refer to the information emailed earlier this week.

School Office

Our office team work hard to support you and your child, with Miss Nicola McIntosh being the main point of contact. Miss McIntosh will be away from school from Friday 19th September for around six weeks due to important surgery. She has asked me to let families know in advance so that you can contact her next week with any matters before her leave begins. We wish her well for a smooth recovery.

Year Ahead Meeting – Wednesday 17th September at 6pm

We warmly invite you to our Year Ahead Meeting where myself, the Senior Leadership Team and Governors will:

- Celebrate the successes of last academic year,
- Share responses to the parent and pupil surveys, and

Outline our school development priorities for the year ahead.

We hope to see many of you there.

New One Way System

Thank you to those who have taken the time to give us feedback on the new one way system. We know it is still busy - we do have a lot of families but we are pleased that the majority are finding the start of the day smoother and more positive.

A couple of clarifications:

- Some families have asked if younger children can enter through the Hereford Road gate. Yes, they can, but not with parents. If your child feels confident and comfortable to enter on their own, that is fine.
- Please remember that mobile phones should not be used on the school site.
- Adult bikes should not be brought through the school gates. Please ensure they are chained up in a designated bike rack outside the premises and away from our busy entrances.

Thank you for supporting us in keeping everyone safe.

Finally...

Next week all of our children will have returned full time (or part time for a few of our nursery children), so our school community will be complete once again. Thank you for your continued support and I wish you all a happy and restful weekend.

Best wishes

Emily Caldwell

Headteacher

Head Lice

There have been several reports of headlice across the school this week so please be vigilant in checking your children regularly. There are a variety of treatments widely available from chemists and supermarkets and it is important that you follow the directions carefully ensuring that you **re-apply the product seven days** later which will eliminate any that survived on the first application.

For more information see www.nhs.uk/conditions/head-lice-and-nits. Many thanks.

Important Dates & Holidays

Date	Time	Who is it for?	Description
Tuesday 16 th September 2025	9am	Redwood Parents/Carers	Class Assembly – parents and carers invited to watch and stay for a cup of tea or coffee in the Food Tech room afterwards

Instrument request

If anyone has any instruments - particularly 1/4 and 1/2 size violins - that you would like to donate to the school, please contact Mr Maud music@leps.org.uk

Many thanks!

Dreams in Motion

THEATRE TIME ON STAGE – EALING

Inclusive weekly drama sessions for disabled young people and their siblings at Questors theatre, Ealing.

Participants will collaborate on original scripts, shape material, and explore all aspects of performance — voice, movement, character, and presence — in a space that builds on their unique ways of communicating and supports their creative growth.

Questors Theatre, Ealing

Weekly from September (Starting Thur 18th Sep) for all ages up to Year 13. Thursdays 16:15-17:15pm

Booking now open: <https://sites.google.com/view/dreamsinmotion-academy> or, you can email Questors at youththeatre@questors.org.uk

Beginning **Monday 29th September 2025**, we will be extending our **after-school club provision to include School Nursery-aged children** as part of a new working collaboration with the school.

Please note that **spaces will be limited** to 16 children per day initially.

Conditions of Booking:

- The session will run from 3-6pm Monday to Friday.
- You will need **to book a minimum of 3 days per week** to secure a space.
- Days must be booked for the term in full. For example, if you want Monday, Tuesday and Wednesday, it must be booked and paid for the whole term.
- NO ad-hoc bookings will be allowed. NO refunds, the club must be booked and paid for the term in full.
- The **daily rate will be £22.50**, per child for the 3-6pm slot.
- No sibling discounts will apply for Nursery children.
- The sessions will start Monday 29th September 2025.

Booking will be available via our booking deadline is Friday 12th September

Tel: 020 82438533

OFSTED Registration No: RP550057

Dear Parents and Carers,

Earlier this year we asked for your views on the proposal to implement a School Street around your school. After an evaluation of the feedback from the local and school community, and careful consideration of the far-reaching benefits of School Streets, we can confirm we will be going ahead with the scheme at Little Ealing Primary School.

You may recall that we asked stakeholders to let us know any compelling reasons why we should not proceed with the scheme. It should be noted that this engagement was not a referendum on the scheme, and a majority indicating support would not automatically overrule a compelling reason not to proceed, if one were identified. Conversely, a majority indicating that they don't support the proposal would not automatically overrule the Council's ambition to proceed with the scheme in the absence of a compelling reason.

No compelling reasons were identified that cannot be resolved.

This is a council led initiative. The school have supported the council by facilitating activities and disseminating materials to the school community, as part of our usual engagement process.

The School Street for your school will start 22 September 2025. The closure times are Monday to Friday, between 8.15 to 9.00am and 2.30 to 3.45pm, and will operate during term time only, according to the term dates published on Ealing Council's website. It will still operate on individual school training and occasional days: www.ealing.gov.uk/term-dates

What is a School Street and why is it important?

A School Street is where the roads leading to school gates are closed to most traffic for a set time, at the start and end of the school day. It maintains access for residents living at properties within the designated Pedestrian and Cycle Zone.

School Streets help children feel safer on their school journey, they increase walking, scooting and cycling and improve air quality by reducing congestion outside schools at peak times.

With fewer vehicles accessing the roads around the school, the street will be calmer, safer and quieter for everyone.

Who will be allowed to drive into the street?

- Only School Street permit holders will have access to the road during the timed closure.
- Residents living within zone.
- Blue Badge holders requiring access to the school. *

No parents or carers will be allowed to drive down the road during operational times unless they have a permit because they are residents, Blue Badge holders, or need access for a child that has a Blue Badge *

More information on who can apply can be found [on the Ealing Council website](#).

What will the School Street look like?

- At the entry points, there will be signs saying the road is a Pedestrian and Cycle Zone, stating the timings of the closure.
- We will place advanced warning signs on the approach to the zone.
- There will be Automatic Number Plate Recognition (ANPR) cameras.
- There will be less traffic, making it quieter, safer and more welcoming for all who use it
- Fines will be issued to those that do not have a permit.

Where is my School Street?

The roads included in your School Street are Weymouth Avenue from Little Ealing Lane to its junction with Bramley Road/Airedale Road, the whole of Hereford Road and Temple Road from its junction with Netherbury Road to Weymouth Avenue.

You must not enter this area in a motor vehicle Monday to Friday, between 8.15 to 9.00am and 2.30 to 3.45pm unless you are a School Street permit holder. We encourage you to walk, scoot or cycle to school or 'park and stride' (park 10 minutes away and walk from there).

IMPORTANT INFORMATION

The streets will be **LOW** traffic not **NO** traffic, therefore road safety is very important for adults and children. Everyone must be alert at all times, not walk in the road, always use the pavement, look out for cars and cyclists, and cross the roads safely.

Look out for information from your school on the activities and events they are organising for the launch of your School Street.

Questions?

Information is available on the Ealing Council website at www.ealing.gov.uk/ealingschoolstreets

- * Blue badge holders can apply for a free School Street permit if they work at the school or have a child that attends the school. Parents of children with a blue badge can also apply for a School Street permit. Please apply online at www.ealing.gov.uk/schoolstreetsexemption.
